

LEADERSHIP IS AN INVESTMENT

THE ART AND SCIENCE OF LEADERSHIP

Introduced in March, 2017, Gift of Life Institute's "The Art and Science of Leadership: Driving Results For Donation and Transplantation Professionals" is a multi-faceted certificate program specifically designed for both emerging and experienced leaders who are looking to increase their management skills and strategic perspective, take on additional responsibilities, and seek to be effective in their organization. The unique design of this course combines deep industry knowledge from leaders in the organ and tissue donation field with academic expertise from two of the world's leading universities, Wharton School at the University of Pennsylvania and the Fox School of Business, at Temple University.
